TERMS OF SALE

Please read carefully, as there are changes in our terms which affect all buyers.

1. All lots are offered for mail bids only. Bid sheets must be received no later than Friday, June 27th, 1986. Submission of a bid sheet constitutes acceptance of the terms of sale stated below.

2. Lots will be awarded to the highest bidder. Bids should be submitted in EVEN U.S. DOLLAR AMOUNTS and will be compared with all other bids on the same lot following the close of sale. For your protection, where the highest bid exceeds the underbid by more than 10%, the lot will be awarded to the highest bidder at a figure approximately 10% above the second highest bid. In the case of identical bids, that which is received first has preference, so it may be in your interest to submit your bids early. Bids must be for whole lots only, as no lots will be divided by the auctioneer.

3. All individual coin lots in this catalogue are unconditionally guaranteed to be genuine and as described. Claims to the contrary must be made in writing to Numismatic Fine Arts within five (5) days after receipt of the goods. The parties would then agree to submit any claims (except for non-payment for items purchased) to binding arbitration under the rules of the American Arbitration Association then in effect. Judgment may thereupon be entered on any award in any court of competent jurisdiction. THIS BEING A MAIL BID SALE, ALL MULTIPLE COIN LOTS ARE SOLD AS IS AND MAY NOT BE RETURNED FOR ANY REASON.

4. Grading, which is subjective, and other adjectival descriptions are the opinion of the cataloguer, and no warranty is expressed or implied, since they can and do vary among experts.

5. Bids cannot be accepted from those under eighteen (18) years of age without the written consent of parents guaranteeing payment. Bids made on behalf of corporations must be personally guaranteed by one or more of the principals.

6. A BUYER'S PREMIUM OF 10% ON EACH LOT WILL BE ADDED TO THE PURCHASE PRICE AND INCLUDED ON ALL INVOICES.

7. All sales are strictly for cash in United States dollars, drawn on a United States bank. All lots purchased and delivered in the State of California are subject to a 6½% sales tax, which will be added to the invoices.

8. Shipping is at the expense and risk of the buyer. Handling, insurance and registration charges will be added to invoices for lots to be delivered by mail.

9. Payment must be made promptly and is due on receipt of invoice. Any lot not paid within thirty (30) days of the auction closing date will be subject to a service and collection charge of 1½% per month (18% per annum). Title does not pass until lots are paid in full. Numismatic Fine Arts reserves the right to maintain possession of all lots and to require full payment before delivery is made. The buyer is responsible for attorney and other judicial fees and expenses involved in collection of any overdue debt.

10. Bidders unknown to us must establish references prior to the auction and must deposit 15% of the bids submitted. This deposit will be applied to successful bids, with overage refunded and any difference billed.

11. It is the responsibility of the buyer to comply with foreign customs or other regulations. We decline all responsibility for any consequences arising from contravention of such regulations. Errors in bidding are the sole responsibility of the bidder, and we strongly suggest that bid sheets be carefully checked before submission.

12. The prices on the enclosed sheet are estimates based on recent international market prices. THE AUCTIONEER RESERVES THE RIGHT TO REFUSE ANY BIDS BELOW 60% OF THE PUBLISHED ESTIMATES.

13. BIDDING IN THIS AUCTION CONSTITUTES FULL ACCEPTANCE BY THE BIDDER OF THE FOREGOING TERMS OF SALE.
